

Report from Donyatt Hall Booking Secretary for the 2021 AGM

This report is for the financial year 1st April 2020 to 31st March 2021.

In accordance with Government instructions in respect of the Covid-19 pandemic, the Hall was closed on 24th March 2020. During the next 12 months the restrictions imposed on socialising in public buildings varied to one degree or another and allowed some indoor activities to resume the Management Committee decided at various points not to re-open the Hall. The Hall did receive a Government grant to help them through the period of zero income from hiring of the facilities.

With Hall being unused the Management Committee took the opportunity to have some maintenance works undertaken in readiness to hire out the facilities again following the removal of restrictions.
