Schedules out now!

If you would like a schedule, contact donnagrabham@hotmail.co.uk for free delivery to your door or pick one up at the pub, church or from the tombola at the fete.

We have had a fantastic response for new volunteers to help with this event. However, if there's anyone else out there who would like to be involved, please get in touch.

JUBILEE SERVICE AND TEA:

We were honoured to hold a Jubilee service and afternoon tea for the village. Both events were very well attended by 40 people in the church and a further 40 people at the village hall for the afternoon tea. I would like to thank you for supporting these events and a massive thank you to all those who donated food and the ladies that worked so hard on the day. It was a joy for us all.

Donyatt Footpaths:

There are 20 footpaths in the parish of Donyatt. All are now walkable although one or two still have a bit of clearance work to be done, please bear with us while this work is carried out.

If you would like a map of all footpaths in the parish or have any obstructions to report, please 'phone David Light on 01460 259891.

Also, I could do with some help from time to time in keeping the local footpaths clear, so if you are able to help please give me a call.

David Light, Rights of Way, Donyatt Parish Council

Queens' Platinum Jubilee Beacon event.

The Jubilee Beacon, which was lit on the evening of June 2nd was a great success with over eighty people, both young and old, attending the event at Donyatt's recreation field. Kay Light, who organised the event on behalf of the Parish Council, was very pleased with the turnout and was proud to be part of this national lighting of beacons. The Parish Council would like to thank all of those who came along on what was a beautiful Summer evening, with special thanks to those who contributed firewood for the beacon including Knight Electrical, Robert Doak, Graeme Spurway and Paul and Jim Mitchell.
